

2019 Sponsorship Package

Dear Conference Sponsor:

It is hard to believe that the Bakersfield Women's Business Conference (BWBC) will be celebrating 30 years this year, Thursday, April 25, 2019. The BWBC has benefitted from strong community support and we are once again reaching out to our partners to ensure that this key community event continues to inspire and grow. Attached you will find a package that provides information about our conference, our mission, our history and the wonderful opportunities for you to be involved.

This conference provides a one of a kind forum for women who are seeking information for their business, professional or personal development. This powerful day is structured with women in mind, and is designed to provide information, skills development and encouragement for women at a crossroads who may be seeking higher education, first time employment, making a career change or looking to advance their careers.

You can be a key partner in countless attendees' development!

The theme for the 2019 Conference, "**Believe in the Power of YOU!**" will challenge our attendees to step into their purpose. For many entrepreneurs, students, or those looking for career change, the biggest obstacle in life can be your own perceptions. Letting go of fear and what ifs can be as liberating as it is paralyzing. Believing in your abilities and the strength we hold within can unleash anyone's potential.

If you have ever been in a rut or going through a career, personal, or life change you may be at a crossroads. What's next? What if? Can I? Should I? All questions that can often put us in a position of doubt and fear. Once you overcome that, you are limitless...Believe in the Power of You embodies that fearlessness of stepping outside of your comfort zone and truly believing that only YOU have the power to make all those dreams/goals come true. Join us as we provide the tools, advice, focus to help you dig deep and achieve all that you were meant to achieve. We know you can do it, you just need to Believe in the Power of You!

The Executive Board of the BWBC would like to thank you for your continued consideration in supporting our efforts. We look forward to working with you to expand the Conference, fortify our mentoring program, and in helping to ensure that this day is beyond compare!

Sincerely,

Norma Rojas-Mora
